Thanks, Abby!! After taking out the public hearings, because we'll summarize those separately, I think we can summarize this as follows:

There were over 1930 comments received, with over 130 unique comments.

Steve and Sara,

Attached is a docket content report for WY RH. All comments listed were unique. There were three mass mailer campaigns (comments -0109, -0110, and -0111) which are in bold. Under the document title for these three comments I included the number of responses we received.

Please let me know if you have any questions.

Thank you.
